about chatham habitat

Our Mission

Chatham Habitat for Humanity works in partnership with God and people to create self-help opportunities for families to own affordable homes, improve their lives, and strengthen their communities.

Affordable Housing in Chatham Co.

Housing is affordable when it comprises no more than 30% of the family’s budget. Families that spend more than this on housing are cost-burdened. 26% of Chatham County households are cost-burdened (7,174 households).

---

Everyone

Everyone deserves a safe, decent, affordable place to live; a vision that transcends all faiths.

Daniel, who works with the Chatham County Sheriff’s Office, was born in Merced, California. His wife Reyna, who was born in Michoacán, Mexico, stays at home with their two kids, Aiden and Mia. The family of four is currently sharing one bedroom at Daniel’s parent’s home.

Spending time with family is very important to Daniel and Reyna—they often travel to South Carolina on the weekends to see family, and they love staying in for “lazy days,” when they all watch movies together. Daniel loves going to car meets and cruises, and Reyna loves trying new foods and shopping. They attend St. Julia’s Catholic Church in Siler City.

“I have known about Habitat since I was in middle school. I decided to walk in one day and get more information and that’s how I started the process.
