

## what will we do?

### **Celebrate the Impact of Homeownership**

Throughout the month we will share some recent research that demonstrates how safe, decent, affordable housing impacts education, job stability, wealth, health, and more in Chatham County!

### **Reflect on our experiences of Home**

Whether you are staying home, are on social media, or visiting the ReStores, share about your experiences of home. We all have had different experiences of home and it is important to be aware of how home impacted each of us differently.

### **Take Action**

Throughout the month you will be prompted to take action for affordable housing. We have created an action calendar where some days may be about learning, giving, or volunteering! Whatever you are able to do, let's do it together.

## stay in the loop!

# homeownership month

June 2021

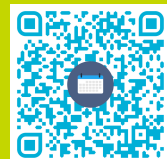

**Join us this month as we learn  
about the impact of  
homeownership, take action, and  
reflect on our own experiences of  
home.**
