

Chatham Habitat's Gift In-Kind Model

With one-quarter of households spending more than 30% of their paychecks just to keep a roof over their heads, the demand for affordable housing is higher than ever. Businesses large and small, faith communities, foundations, individuals, and other like-minded people come together to build homes, communities, and hope with Chatham Habitat for Humanity. In-kind sponsorships offer another meaningful way to partner with us, providing vital support for our mission to make homeownership affordable and accessible.

Why Partner with Chatham Habitat?

- 100% of your in-kind gift goes toward our building program. You are supporting the construction of a safe, healthy, affordable home in Chatham County.
- The community benefits from your partnership. Mortgage payments are recycled back into Habitat's building program, and every year, Habitat homeowners pay property taxes and invest in their communities.
- Your gift creates lasting impact. Habitat homeownership creates opportunities for families to live and work in our community. Habitat homeowners and their children have better health, educational, and vocational outcomes, and are vibrant members of their communities.

**If you would like to partner with Chatham Habitat with a donation of goods or services,
We would love to chat with you!**
